nt arises from the flecal year wing to the fact that the Treasury ready made by the Glynn adminis-tration for that year, show an ad-justed deficiency of more than \$3,000,000 for the flocal year ending Oct. 1, 1915.

"This is caused by our being compelled to make supply bill appropriations for that year of not less than
\$15,000,000 to meet necessities not
provided for by the Legislature of
\$15,000,000 to meet necessities not
\$15,000,000 to meet necessitie

"But Senater Saze Jauntily overleoks the accounty of levying a tax
for the fiscal year beginning Oct. 1,
1916, and adding all of the deficiencles of the year ending Oct. 1, 1916.

"Does not be know that this Legislature must make appropriations for
the fiscal year beginning Oct. 1, 1918;
that the tax to meet these appropriations will be levied in January and

SOFT, SORE, SPONGY GUMS

HEN you compare, what comes first? Price? Perhaps.

But price-comparison can be only a part. It's important, yes; just as it's important to compare fabrics and patterns and making.

Even that much careful comparison can take you only so far-after that you must compare reputations.
